

I am a GM/UE retiree. I  
retired with 30 years of service. I  
along with 70,000 other retirees,  
stand to lose as much as 35% or  
more of our pensions, and all health-  
care. This will reduce most of  
not all of us to the poverty level  
or below. Please give much more  
deliberation and care to these  
matters.

Sincerely  
Patricia Harper
